Film screening raises money for group

Hospice & Palliative Care of Westchester recently hosted a screening of "Jazz on a Summer's Day," a film that highlights the 1958 Newport Jazz Festival, at Jacob Burns Film Center in Pleasantville.

The film, which features trumpeter Louis Armstrong and trombonist Jack Teagarden, won the 1999 Library of Congress Award.

Money raised at the event will support Hospice & Palliative Care of Westchester in its mission to provide comfort, care and compassion to every individual and family facing a serious or life-threatening illness.

Guests enjoyed a dinner at Mediterraneo Ristorante in Pleasantville, a live performance by the Westchester Jazz Orchestra and a post-film reception. The event was sponsored by Michele and Terry Geller of Hastings-on-Hudson.
